ALSO APPLIES TO ALL SOCIAL BOWLERS, NIGHT OWLERS, GUESTS, SPECTATORS AND VENUE HIRE PARTICIPANTS

Your committee also made the decision that we are going to extend the Bowls SA Policy to all people who use our facility in any way. This is to primarily protect our wonderful group of volunteers who give up their time to help at these functions and to keep everyone safe. As part of this policy: -

Russ Stovall has been appointed as an Authorised officer to register all Night Owers only.

Venue hire applicants will need to verify that all participants adhere to our policy which may necessitate inspections at the gate on entry.

*Championship matches are encouraged to be played during this break - to date we have had very few Open Mens Singles or Pairs matches played. Please try to get these done so that we can meet the schedules to allow for our winners to complete in the Champions of Champions tournament. We should have been well into our second round by now.*
