Club Comments No.4

Well, we've made it to 2022. Happy New Year although with this wacky COVID19 we have had to make a few changes at the club. Please do **not rearrange any furniture.** We have been strong ensuring all conditions have been/are being met. We all want bowls to continue (pennants, social, night owls) so a big thank you to all for your co-operation and especially to our volunteer Covid Marshalls. Keep Safe.

Remember to Support your Sponsors

Always let them know you're from Glenelg Bowling Club

Our Sponsors generosity is very much appreciated

We can't survive without them!

THANK YOU

To continue to play, pennants, social, night owl bowls and to come along to the club for events, you must be (minimum) double vaccinated against COVID.

We have had an outstanding response with 100% of bowlers providing proof as required by BOWLS SA for all bowls events.

😊 ***The Christmas raffle was drawn at the Christmas lunch. If you weren't there check at the bar – there just maybe a prize waiting for you! Still a few to be collected.***

Early Notice – Glenelg Medley – Saturday 9th. April 2022

★ We wish to thank our energy sponsor Maximum Energy for their support with our proposal to the Holdfast Council for our new lights. The plans are currently before the planning panel of the council. ★

Championship matches are encouraged to be played as soon as possible. Please try to get these done so that we can meet the schedules to allow for our winners to complete in the Champions of Champions tournament.

We should have been well into quarter finals by now.

IMPORTANT COVID PROTOCOLS FOR ALL TO FOLLOW

★ COVID conditions apply at all times at the club whether playing pennants, socially, training, night owls or visiting ★

- Must be at least double vaccinated to enter the property.
- Covid log-in compulsory either by code on phone or as a written record.
- Please often use the sanitiser provided.
- Masks are to be worn whenever moving around our site, including in the clubrooms. No mask no service at bar.
- Eating and drinking only permitted - inside or outside - whilst seated.
- Greet with alternatives to handshakes.
- Walk away to sneeze/cough and into crook of your arm.
- Only 4 on the rink at all times (2 at the mat - 2 at the head).
- Only handle your own bowls.
- Respect the COVID-19 Marshal on duty - remember is a volunteer and a team-mate.

Your committee also made the decision that we are going to extend the Covid Policy to all people who use our facility in any way.

Thus the above also applies to all guests, spectators and venue hire participants.

This is to primarily protect our wonderful group of volunteers who give up their time to help at these functions and to keep everyone safe. Venue hire applicants will need to verify that all participants adhere to our policy which may necessitate inspections at the gate on entry. Also applies to all club functions.

The Phil Hoffmann Glenelg Medley, Saturday 9th April. We sincerely thank Phil and his team for their ongoing support. Now that travel restrictions are being eased make your bookings with PHT - tell them you're from the Glenelg Bowling Club. Great Deals at the moment!

Check on the website and club noticeboards for all details.

Sponsors are so important to the club.

Without their ongoing support we would need to dramatically increase membership/playing fees.

In fact, we'd have to more than double fees!

All our sponsors, whether it be by cash donation, vouchers, raffle prizes or in-kind assistance are critical to our success.

Your support for them is so important too.

Always let them know you're from GBC.

Always consider
