

POLICY 24 - VOLUNTEER REGISTER

Introduction

The Glenelg Bowling Club is a small friendly club that is very competitive on the green.

In order to maintain our social and competition programs, the Club is totally reliant on its members volunteering to undertake a range of tasks throughout the year.

The only way to maintain a dedicated volunteer program is to have volunteers fully aware of their roles and responsibilities and to provide recognition of their efforts.

This Volunteer Register has been established in order to:

- Identify the volunteers needed for specific tasks;
- Ensure that there are enough volunteers to have a rotation roster;
- Ensure that such volunteers have been properly briefed through the Induction Course;
- Ensure that volunteers in specified areas are accredited and that the Club assists members to undertake accredited courses;
- Ensure that long serving volunteers are recognised for their work.

For those tasks where a volunteer needs to be accredited, the Club will pay for the cost of the accreditation course and course updates.
